

The undersigned tenders his sin cere thanks to his friends and numerous customers, for the very liberal patronage bestowed on him since his commencement in business in this city, and hopes by a strict and diligent attention to his business, to merit a continuance of their favors.

Having had the misfortune to lose his Store House by Fire, he has taken a Store on the West side of Fayetteville Street, in Peuce's Row, 2nd door South of P. F. Pescud's Drug Store where he will continue to conduct his business as heretofore. Having in his employ the best workmen the country can produce, and the best materials, he is prepared to make to order any and every article manufactured in his line of business, with fidelity and desputch.

THE undersigned Commissioners will proceed to sell to the highest bidder, on the first day of March, unless previously disposed of, a number of lots in the Town of Willcox. The certainty of the River being made navigable remains no longer a doubt, and this site situated at the highest point of the present improvement, with the immense bed of coal recently discovered on the adjoining land, must surely hold out inducements for Merchants, Mechanics, and Artisans, which no other point on the River possesses. The location is healthy and with others of neverfailing water. There is nothing wanted at this location, but men of enterprise to make this the central point of trade for many of the western and

SMUT AND SCREENING MACHINE. The only Machine of the kind that has stood the test and given satisfaction to the public. It has surplanted every Smut Machine yet offered in the State, more or less of which has been taken down to make room tor it. The public need tear no imposition, as there are now some 280 Machines running in N C.; and I wish to offer no other references than the gentlemen who are using them, whose expectations have been more than realized in their performance. It not only thoroughly cleanses the Wheat of smut, but also purifies it of all other substances, almost to perfection. It takes up but 4 feet square in the Mill, and requires but little power. It is warranted for five years against breaking or wearing out, and also to retain its cleaning qualities for that time.

There are a number of these Machines through which

100,000 bushels of Wheat have been cleaned, and they have never been out of order one day.
